- 3-step Moodmaker™ dimming (3000/4000 kelvin) by your regular wall switch • Night light (100 lumen)
- Easy installation

Elida ceiling lamp is integrated with the 3-step Moodmaker™ SceneSelect function that is operated by your standard wall switch and offers you a night light option that direct the light only towards the ceiling. The incorporation of a high degree of protection, IP44, makes Elida ideal for creating the perfect lighting in the bathroom.

The integrated 3-step Moodmaker™ gives you the perfect ability to create the right natural lighting, RA90, for every occasion by choosing between a cold, warm and night light that is projected backwards to the ceiling. These special features are easily operated by a standard wall switch.
