Montering av toalettsete

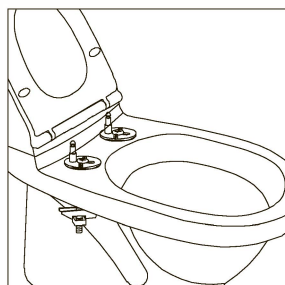

Vennligst les manualen grundig før montering

Sett sammen bolter, hengsler og plasser de i toalettets monteringshull.

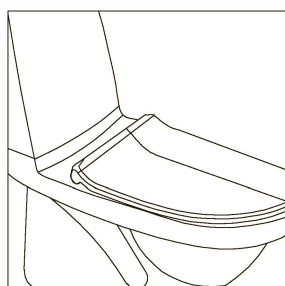

Løft opp beslaget for å løsne skruene.

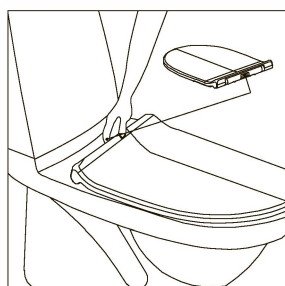

Kontroller at låsebolten sitter riktig og stram forsiktig til. Klikk så på setet og lukk lokket. Juster deretter setet til ønsket posisjon før du fjerner setet igjen.

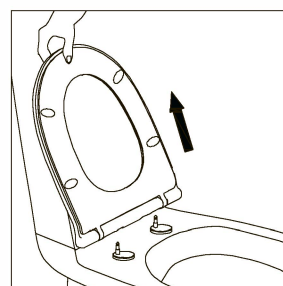

Stram til boltene forsiktig og kontroller at hengslene sitter korrekt. Fest deretter på dekselheftene og trykk de på plass før setet klikkes på plass.

Ditt toalettsete er nå klart til bruk
