## ABSTRACT

Stove guard CTM LYNG Mkomfy 1.6 has been tested and found to comply with the performance requirements according to EN 50615:2015 for Category B devices.

Sound level of audible warning has been measured and found to comply with the requirements of EN 54-3:2014.

Protection in case of removal/relocation of sensor or important parts of the device has been tested and found to comply with the requirements of EN 50615:2015. The test is performed and found to comply for Mkomfy 16R, Mkomfy 25R, Mkomfy 230R, Mkomfy 400R-16/25A

The test results relate only to the items tested
